

Dear Ms. Diehl,

I would ask the House Committee on Government Operations to register my opposition to the Burlington charter changes being proposed to the Vt. State Legislature.

H 566, 567 and 568 violate both the language regarding firearms possession in the Vermont Sportsman's Bill of Rights and Article 16 of the Vermont Constitution. Therefore these proposed bills should be thrown out of the committee once and for all.

It's really that simple.

Thank you,

John Lincoln
